

## LOGAN CHILDREN THERE IS STILL TIME!

### APPLICATIONS CLOSING DATE EXTENDED - AUG 6th

Are you a child, who lives in Logan and has something to say? The 2025 Childhood Summit is coming to town on **October 24–25** at the Unity Hub in Logan, Queensland—and this year, it's all about YOU! The theme is **“Through Their Eyes”**, and we want to see the world from your perspective.

The Childhood Summit is a special event where kids and adults come together to talk about what it's like to grow up today. It's a chance for children to share their thoughts, ideas, and dreams with the grown-ups who make decisions about your world. In 2025, the spotlight is on the **Child Voice Keynote Speakers**—that could be YOU! There are 3 ways children can become speakers at the Childhood Summit: through participating schools, through local community groups and through the final option - community pathways!
